

# Let's Legalize It

(The Real Milk Song)

## CHORUS:

Legalize it.

Don't pasteurize it.

Don't homogen-

-ize it.

Just legal -ize it.

## VERSE:

It's a long-standing tradition, and it's great in the kitchen.

Part of a healthy diet, every -one should try it.

It sustained our ancestors, must not be sequestered.
